Public Service Company
110 00 Praha 1 – Nové Město, Opletalova 41

issues this

CERTIFICATE OF ACCREDITATION

No. 364 / 2009

to

Testing Laboratory No. 1029

EGU - HV Laboratory a.s.

High voltage testing laboratory

Podnikatelská 267, 190 11 Praha 9, Běchovice

Scope of accreditation:

High-voltage tests, measurement of electric and magnetic field and high-frequency interference, voltage and dielectric tests of electric objects and equipment and mechanical tests of insulators to the extent as specified in the appendix to this Certificate which is attached.

Ing. Václav Sklenička, CSc. shall act on behalf of the accredited testing laboratory, and Ing. Václav Sklenička, CSc., Ing. Jan Bolech and Ing. Marek Brosch shall be responsible for the correctness of relevant test reports.

This Certificate of Accreditation was issued by the Czech Accreditation Institute, Public Service Company, on the basis of assessment of fulfilment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17025:2005

and after having found that the testing laboratory had been qualified for objective and independent testing to the extent of the scope of accreditation.

In its activities, performed within the scope and for the period of validity of this Certificate, the holder of this Certificate is entitled to use the identification "Accredited Testing Laboratory No. 1029" next to its name provided it observes all relevant regulations relating to the activity of accredited testing laboratory including regulations issued by the Czech Accreditation Institute, Public Service Company.

Should it be proved that the holder of this Certificate fails to meet the accreditation criteria decisive for the issue hereof and the obligations conditioning accreditation, the Czech Accreditation Institute, Public Service Company, may either suspend the validity of or withdraw or change this Certificate.

This Certificate is valid until: 30 April 2011

and replaces completely the CIAs Certificate of Accreditation No. 22/2008 of 24 January 2008

Prague: 17 June 2009

Jiří Růžička
Director
Czech Accreditation Institute
Public Service Company

Instruction:

The holder can enter a written objection against this Certificate, provided it concerns the scope of accreditation, in 10 days from the receipt hereof. Timely submitted objection has no dilatory effect.
